September 11th Victim Compensation Fund

Do you have a PHYSICAL World Trade–related injury and/or illness? You might be eligible for the September 11th Victim Compensation Fund!

The Victim Compensation Fund (VCF) provides compensation to individuals or families related to deceased individuals that were physically affected by the September 11th terrorist attacks.

Recently, the VCF underwent some new and very important changes. The changes are as follows:

- DUE TO THE RECENT REAUTHORIZATION OF THE JAMES ZADORGA 9/11 HEALTH AND COMPENSATION ACT OF 2010, THE VCF HAS BEEN EXTENDED FOR 5 YEARS AND IS NOW ACCEPTING NEW CLAIMS.
- A CLAIMINANT HAS UNTIL 12/18/2020 TO REGISTER AND FILE A CLAIM, BUT IS STRONGLY ENCOURAGED TO REGISTER WITHIN TWO YEARS FROM YOUR DATE OF DIAGNOSIS.
- ELIGIBLE CLAIMANTS ARE NOW SEPERATED INTO 2 GROUPS– **GROUP A & GROUP B**

GROUP A

- IF YOU RECEIEVED A LETTER NOTIFYING YOU OF THE 'LOSS CALCULATION DECISION' ON YOUR CLAIM AND THE LETTER WAS DATED **ON OR BEFORE DECEMBER 17, 2015.**

GROUP B

- ANY CLAIM THAT IS **NOT** IN GROUP A WILL AUTOMATICALLY BE PLACED IN GROUP B.
- IF YOU HAVE **NOT** RECEIVED A LETTER DATED DECEMBER 17, 2015 OR EARLIER NOTIFYING YOU OF THE LOSS CALCULATION DECISION ON YOUR CLAIM.

ALL GROUP A CLAIMS HAVE BEEN PAID!

For more detailed information about both groups, please visit:
www.vcf.org/faq.html

Here are Some More Helpful Tips

- If you have missed the 2 year deadline, we still encourage you to submit a claim. Each claim is evaluated on a case by case basis and you still **MIGHT** receive compensation.
- You do **NOT** need to have a World Trade Center Health Program Certified condition to apply! The VCF is a separate entity and adheres to different guidelines.

For more information and to apply, please visit **www.vcf.gov** or call **1-855-885-1555**.

If you need assistance with the application process please contact our Member Services Coordinator, Chauntel Wright, MPH, CHES at (848) 445-6047.

Switch to Generic First Protocol for Medications

On March 1, 2016, the WTC Health Program started the generic first protocol. What does this mean?

- ◇ For all medications, all patients **MUST** receive the generic version. (Except for patients with special circumstances).
- ◇ If you cannot use the generic form, the WTCHP physicians must have proper documentation in order to provide a medication override.

How does this affect you?

- ◇ Unless you already have documented approval for the medication override, if you were receiving a non-generic form of a medication you will need to switch to the generic version.
- ◇ If you received the medication override allowing the non-generic form of medication, you may still experience issues at your pharmacy.

- If this happens please do not be alarmed. Kindly give us a call at **848-445-0123** and we will happily look into the medication rejection for you.

Thank you for your help and cooperation!
